

How your Community Visitor can help
you if you are in out of home care.

It's OK
to have
your say.

Hi, I'm Liz, your
Community Visitor
from the Office of the
Public Guardian.

I'm here to
listen to
you... to make
sure you have
everything you
need to feel
safe...

...and to
help sort
out any
worries
you may
have.

If you are in out of home care a
Community Visitor (CV) will visit you,
wherever you live in Queensland.

Your CV will talk to you in private so
others don't hear.

If you don't want to talk to your CV
that's OK. You don't have to.

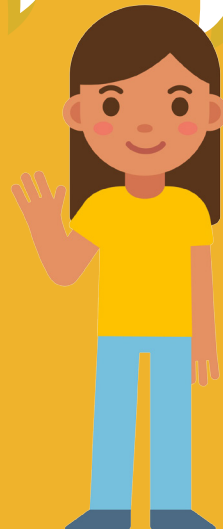

A CV can:

- Make sure grown-ups know what you think about stuff that happens to you.
- Help you tell people if you don't like something that is happening to you.
- Make sure you have everything you need to feel safe, are happy and healthy.

I want to go to a new school, but no one will listen to me.

I'm not allowed to talk to dad – that's not fair.

I like talking to the counsellor – it helps me.

**Your CV
will keep
visiting
you.**

**You can also
ask for your
CV to make a
special visit to
see you.**

**You can call
your CV
whenever
you want.**

**You can do
this yourself,
or ask a
grown-up to
contact us.**
